Hi James,

Thanks for your message. I apologize for the delay in getting back to you, I was out of the office last week.

Our tentative timeline is to have a notice of intent for the General Management Plan Amendment sometime this fall. I'll add you to our email list of interested parties so you will get the notice when it comes out.

Thanks!  
Melanie

Hi Ms. Gunn,

Hope this finds you well. Looks like this project is getting a lot of attention. I will be the lead NEPA reviewer for the project and I was wondering if you had any idea when we might see an NOI?

Also if you have any questions or info to share on the project please feel free to contact me,

Cheers,  
  
James
